Do you ever feel shaken?

What do you do to counteract the shaking?

Jesus describes a type of person who is *unshakeable* (and one who isn't)

Luke 6:46-49 (ESV)

Why do you call me 'Lord, Lord,' and not do what I tell you? Everyone who comes to me and hears my words and does them, I will show you what he is like: he is like a man building a house, who dug deep and laid the foundation on the rock. And when a flood arose, the stream broke against that house and could not shake it, because it had been well built. But the one who hears and does not do them is like a man who built a house on the ground without a foundation. When the stream broke against it, immediately it fell, and the ruin of that house was great.
